An interactive key scheme information document of Hang Seng Mandatory Provident Fund – SuperTrust Plus (the ‘SuperTrust Plus’) has been launched

A key scheme information document (KSID) webpage offering an interactive experience has been launched to help scheme participants easily access key information about the SuperTrust Plus such as relevant fees and charges payable and the constituent funds available.

Enjoy the new experience with a simple [click](#). Scheme participants can now view the SuperTrust Plus’s updated fund information sorted by fund category, read the SuperTrust Plus scheme document to learn more about the scheme, download commonly used administration forms to manage their MPF accounts, and conveniently access and navigate the MPFA website.

Learn how our products and services can help scheme participants save towards their retirement now.
