Snapshot

Our Approach to Environmental, Social and Governance ('ESG')

Our ESG strategy focus areas in 2023

Environmental
Reduce the environmental impact of our daily operations and offer customers a wide range of green solutions.

Social
Enable younger generations to reach their full potentials, promote well-beings and professional development.

Governance
Maintain and uphold high standards of corporate governance by adopting ESG governance policy and risk management policy to be in line with international and local corporate governance best practices.
