

Frequently Asked Questions – Member Benefit Statement–Tax Deductible Voluntary Contributions Account Holders

Applicable to the statement for the scheme financial period from 1 July 2021 to 30 June 2022.

Frequently asked questions for Member Benefit Statement are used to explain or elaborate the information presented in the statement for the specific scheme financial period.

Accrued benefits

What is the difference between 'Closing balance' and 'Adjusted closing balance' in the 'Accrued Benefit Summary'?

The 'Closing balance' is the dollar value of your MPF accounts, calculated based on the unit price, as at the last business day of June 2022, i.e. 30 June 2022.

The 'Adjusted closing balance' is the total balance of all invested Constituent Funds as at 30 June 2022, in which the greater of Actual Balance or the Guaranteed Balance of the investments in the Guaranteed Fund (if any) is used. If the account balance in the Guaranteed Fund is crystallised on 31 December, the 'Adjusted closing balance' will be equal to the 'Closing balance'. The guarantee in the Guaranteed Fund only applies under certain conditions. Please refer to the [MPF Scheme Brochure](#) for full details of the guarantee features (including in the context of payment of accrued benefits in instalments) and 'Guarantee Conditions'.

For other Constituent Funds, the 'Adjusted closing balance' is equal to the 'Closing balance'.

Attaining the age of 65

If I have reached the age of 65 but have not withdrawn my MPF accrued benefits, will a member benefit statement be delivered to me?

Yes. We will deliver the member benefit statement to you as long as you remain as our scheme member as at 30 June 2022. There is a section on the statement to remind you the alternatives of handling your MPF accrued benefits in the scheme.

Contributions

Does the member benefit statement show the monthly contribution records?

Yes. You can refer to the 'Contribution Summary' section which summarises contributions made to your MPF accounts within the scheme financial period. Only transaction(s) which were completely processed on or before 30 June 2022 is/are included in the statement. You can also view your contribution records for the past 18 months through Hang Seng Personal e-Banking at hangseng.com/e-Banking.

Does the member benefit statement show 'Tax deductible voluntary contributions' record?

Yes. All tax deductible voluntary contributions records are shown in the 'Tax deductible voluntary contributions' column under the 'Accrued Benefit Summary' and 'Contribution Summary' section.

Which part of the statement should I refer to if I would like to know the total contributions made by myself in the scheme financial period?

You may refer to the 'Total contribution invested' field under the 'Summary of Account Movements' or 'Accrued Benefit Summary' section for the contributions made for your Hang Seng MPF accounts in the scheme financial period. You may also refer to the 'Contribution Summary' section for details.

Which part of the statement should I refer to if I would like to know the total contributions made by myself since I joined the scheme?

You may refer to the 'Accrued Benefit Summary' section for details. The total contributions made by yourself since you joined the scheme is shown as 'Total contribution/Total transferred-in since inception' in the 'Tax deductible voluntary contributions' column.

Does the member benefit statement of 30 June 2022 include any contributions received after 30 June 2022?

No. Only contributions which were received and completely processed on or before 30 June 2022 would be included in the statement. For enquiry on your latest account balance, you can logon to Hang Seng Personal e-Banking at hangseng.com/e-Banking or Hang Seng Personal Banking mobile app, or call our Hang Seng MPF Service Hotline on 2213 2213 or use our Hang Seng Bank's and HSBC's ATMs.

Contribution summary

If the frequency of the contributions are paid more than once per month, does the member benefit statement show all contribution records?

If the frequency of the contributions is more than once per month, the end date of the last contribution period in that calendar month would be shown under the 'Date of relevant contribution end' and the total contributions invested for the contribution periods in the relevant calendar month would be added up and shown in the same row.

Example:

For the month of April, there are totally 3 payments of tax deductible voluntary contributions (i.e. 2022/04/11, 2022/04/18, 2021/04/25)

Date of payment	Employee Tax deductible voluntary contributions (HKD)
2022/04/11	1,000.00
2022/04/18	1,000.00
2022/04/25	4,000.00

Information shown in the member benefit statement of 30 June 2022:

Date of relevant contribution period end	Employee Tax deductible voluntary contributions (HKD)
2022/04/30	6,000.00

Which part of the member benefit statement should I refer to if I would like to know the investment returns for this scheme financial period?

You may refer to the 'Investment returns' in the 'Accrued Benefit Summary' section. The amounts are calculated based on the unit prices as at the last business day of June 2022, i.e. 30 June 2022 and are for reference only. The actual investment returns can be ascertained only when the benefits are paid out or transferred.

How can I calculate the amount of 'Account(s) gain/(loss) during the period'?

The amount of the 'Account(s) gain/(loss) during the period' is calculated by subtracting the opening balance and other transactions (excluding special bonus, bonus unit rebate and guarantee charge rebate (if any)) during the scheme financial period from the closing balance as at 30 June 2022.

Example:

The unit price for the Balanced Fund as at 30 June 2022 (the last business day of June 2022) is HKD20.34 and the number of units held in Balanced Fund is 317.826 units, therefore the closing balance is HKD6,464.58 (i.e. 317.826 units x HKD20.34).

Account(s) gain/(loss) during the period =

Closing balance - Opening balance - Total contribution invested - Total amount transferred into scheme +
Total amount transferred out of or withdrawn from scheme

HKD6,464.58 - HKD0.00 – HKD2,000.00 - HKD3,560.20 + HKD0.00 = HKD904.38

The amount of the 'Account(s) gain/(loss) during the period' is calculated

Summary of Account Movements for the Year Ended 2022/06/30	
Opening balance (as at 2021/07/01)	
HKD0.00	
Total contribution invested HKD2,000.00	Total amount transferred out of or withdrawn from scheme(s)
Total amount transferred into scheme(s) HKD3,560.20	HKD0.00
Account(s) gain/(loss) during the period HKD904.38	
Closing balance (as at 2022/06/30)	
=HKD6,464.58	

How does the fees for MPF Conservative Fund be deducted?

Fees and charges of an MPF Conservative Fund can be deducted from either (i) the assets of the MPF Conservative Fund or (ii) Members' account by way of unit deduction. From 1 July 2015, fees and charges deduction method of MPF Conservative Fund of Hang Seng Mandatory Provident Fund – SuperTrust Plus has changed from method (ii) to method (i). Therefore, the unit prices, net asset value (NAV) or fund performance of MPF Conservative Fund quoted have reflected the impact of fees and charges for the period starting from 1 July 2015. Before 1 July 2015, the unit prices, NAVs and the fund performance quoted for MPF Conservative Fund of Hang Seng Mandatory Provident Fund – SuperTrust Plus have not reflected the impact of fees and charges.

Summary of account movements

What is 'Summary of Account Movements'?

The 'Summary of Account Movements' shows the overview of total amount moved in and out of your Hang Seng MPF account(s) within the current scheme financial period.

What is the fund allocation displays on the pie chart?

The pie chart shows the fund allocation of your closing balance as at the end of the scheme financial period. It contains the five largest holdings in Constituent Fund invested and the aggregated balance of the rest of holdings in Constituent Fund invested (ie, 'Others') (if any). It will be sorted by percentage and Constituent Fund name by alphabetical order if there are the same holdings. If your closing balance is zero, no fund allocation will be shown.

Why does the Constituent Funds invested not match with my fund allocation shown on the pie chart?

Which part of the statement should I refer to if I would like to know the fund allocation of my MPF account?

The pie chart displays the five largest holdings in Constituent Funds invested with the percentage of the closing balance. For more than 5 Constituent Funds invested, the aggregated balance of the rest of holdings is grouped as 'Others'. You may refer to the 'Asset Allocation' section which lists out all of your holdings in Constituent Funds invested as at the end of the scheme financial period.

What is the difference between 'Account(s) gain/(loss) during the period' and 'Account(s) gain/(loss) since inception'?

'Account(s) gain/(loss) during the period' shows the dollar value of overall account gain/(loss) of your MPF accounts, including 'special bonus', 'Bonus unit rebate' and 'Guarantee charge rebate', if applicable, for the current scheme financial period only.

'Account(s) gain/(loss) since inception' reflects the overall account gain/(loss) of your MPF accounts since you first joined that MPF account, which also includes 'Special bonus', 'Bonus unit rebate', 'Guarantee charge rebate' and 'Unit deduction (for expenses of Constituent Fund) for MPF Conservative Fund' (if applicable).

How can I calculate the amount of 'Account gain/(loss) since inception'?

The amount of the 'Account gain/(loss) since inception' is calculated by adding the 'Investment returns', 'Special bonus', 'Bonus unit rebate', 'Guarantee charge rebate' and minus 'Unit deduction (for expenses of Constituent Fund)' for the MPF Conservative Fund (if any) of all years starting from the first day you joined that MPF account.

'Account gain/(loss) since inception' = all years' 'Investment returns' + all years' 'Special bonus' + all years' 'Bonus unit rebate' + all years' 'Guarantee charge rebate' - all years' 'Unit deduction (for expenses of Constituent Fund)' for the MPF Conservative Fund.

Zero balance statement

Why do some of the statements show a few paragraphs stating that the account balance is zero?

If a scheme member's MPF account does not have any fund balances and transactions during the scheme financial period from 1 July 2021 to 30 June 2022, we will issue a statement explaining some possible circumstances that may result in a zero balance.

Under what circumstances will there be no contributions or fund balance for the scheme member?

The contributions or transferred monies have not yet been received or processed as at 30 June 2022.
