

### ***Who we are***

Founded in 1933, Hang Seng is one of Hong Kong's largest listed companies. We serve over half the adult residents of Hong Kong – more than 3.9 million people – through over 260 service outlets.

Its wholly owned subsidiary, Hang Seng Bank (China) Limited, operates a strategic network of outlets in almost 20 major cities in mainland China to serve a growing base of Mainland customers locally and those with cross-boundary banking needs.

We also maintain branches in Macau and Singapore and a representative office in Taipei.

Hang Seng is a principal member of the HSBC Group, one of the world's largest banking and financial services organisations.

### ***Business activities***

The Bank's major business activities comprise wealth and personal banking, commercial banking, and global banking and markets. The Bank also offers a comprehensive range of renminbi services.

Hang Seng has shareholdings in Industrial Bank, a joint-stock commercial bank listed on the Shanghai Stock Exchange.

The Bank and Qianhai Financial Holdings Company Limited established Hang Seng Qianhai Fund Management Company Limited, the first foreign-majority-owned joint venture fund management company set up on the Mainland under Supplement X to CEPA. Hang Seng Qianhai Fund Management commenced operation in July 2016.

### ***Corporate Responsibility***

Our community investment strategy is underpinned by four pillars: equipping young people with future skills for employability, promoting sustainable finance and financial literacy, addressing climate change and caring for the community. Young people are key to enhancing sustainability and we are committed to empowering them with the skills, knowledge and self-esteem that they need to thrive. As part of our actions to address climate change, we are committed to launch a wide range of climate education activities for young people. In addition, we aim to reduce carbon emissions from our own operations to net zero by 2030. We are also contributing to the HSBC Group's ambitions of becoming net zero in its supply chain by 2030 and aligning the financed emissions in its portfolio of customers to net zero by 2050.

In 2022, we have pledged nearly HK\$32 million on community investment. Over the past 10 years, we pledged to invest about HK\$300 million in community initiatives.

In the 2022 Gender Equality Global Report and Ranking of Equileap, the leading global provider of data on gender equality, Hang Seng ranked number one in Hong Kong for gender equality and was the only company in Hong Kong that has achieved a gender balance at all four working levels. We are also constituent of various indices, including MSCI Pacific ex Japan SRI Index, FTSE4GOOD, Hong Kong Business Sustainability Index and Hang Seng Corporate Sustainability index.

### ***Hang Seng Family of Indexes***

Wholly owned subsidiary Hang Seng Indexes Company Limited (Hang Seng Indexes Company) was established in 1984 and is Hong Kong's leading index compiler covering Hong Kong and Mainland markets. The company's flagship product, the Hang Seng Index, was launched in 1969 and is recognised worldwide as a major benchmark for the performance of the Hong Kong stock market.

Hang Seng Indexes Company maintains its position as an industry leader by continually developing a variety of index solutions that help investors capture investment opportunities and benchmark the performance of different aspects of the market. As at the end of June 2023, Hang Seng Indexes received five major accolades, namely 'Best ESG Index Provider – Hong Kong', 'Most Innovative Index – Hong Kong', 'Best ESG China Index Provider' and 'Best China Index Provider' awards at the prestigious Asia Asset Management's Best of the Best Awards 2023, and the 'Index Provider of the Year - Regional' award at the Professional Investment Awards 2023 organised by Insights & Mandate, which reaffirmed its role as the leading index compiler in Hong Kong.

Supported by decades of knowledge and experience, the company currently manages more than 2,000 real-time and daily indexes covering Hong Kong and mainland markets, offering coverage across a wide spectrum of asset classes and investment themes.

Indexes issued by the company are widely used by investors worldwide to create index-linked products and derivatives, including index futures and options, structured products, index funds and exchange-traded funds. As at the end of June 2023, there were 115 exchange-traded products linked to the company's indexes, with listings on 16 stock exchanges around the world. By the end of June 2023, assets under management in products passively tracking indexes in the Hang Seng Family of Indexes had reached a total of about US\$62.9 billion.
