

CRS Controlling Person Self-Certification Form (CRS - CP)

Please read these instructions before completing this form

Why are we asking you to complete this form?

To help protect the integrity of tax systems, governments around the world are introducing a new information gathering and reporting requirement for financial institutions. This is known as the Common Reporting Standard ('the CRS').

Under the CRS, we are required to determine where you are "tax resident" (this will usually be where you are liable to pay income taxes by reason of residence in a jurisdiction). If you are tax resident outside the jurisdiction where your account is held, we may need to give our local tax authority this information, along with information relating to your accounts. That may then be shared between different jurisdictions' tax authorities.

Completing this form will ensure that we hold accurate and up to date information about your tax residency.

If your circumstances change and any of the information provided in this form becomes incorrect, please let us know immediately and provide an updated Self-Certification Form.

Who should complete the CRS Controlling Person Self-Certification Form?

When an account is held with Hang Seng Bank on behalf of a Passive Entity (for example certain trusts or investment vehicles) we need those individuals identified as having ultimate control of the entity to complete a form. These individuals are termed "Controlling Persons".

If you need to self-certify on behalf of an entity (which includes all businesses, trusts and partnerships), complete a 'CRS Entity Self-Certification Form' (CRS-E). Similarly, if you are an individual customer or a sole trader, complete a 'CRS Individual Self-Certification Form' (CRS-I). You can find these forms at <http://bank.hangseng.com/1/2/crs>.

For joint or multiple Controlling Persons, each individual will need to complete a copy of the form.

Even if you have already provided information in relation to the United States Government's Foreign Account Tax Compliance Act ('FATCA'), you may still need to provide additional information for the CRS as this is a separate regulation.

If you are completing this form on behalf of a Controlling Person, please ensure that you let them know that you have done so and tell us in what capacity you are signing in Part 6. For example you are completing the form under a power of attorney.

In the case of any inconsistency, section 50A of the Inland Revenue Ordinance (Cap. 112) shall prevail.

Definitions

“Account Holder”

The “Account Holder” is the person listed or identified as the holder of a financial account by the Financial Institution that maintains the account. This is regardless of whether such person is a flow-through Entity. Thus, for example, if a trust or an estate is listed as the holder or owner of a financial account, the trust or estate is the Account Holder, rather than the trustee or the trust’s owners or beneficiaries. Similarly, if a partnership is listed as the holder or owner of a financial account, the partnership is the Account Holder, rather than the partners in the partnership.

A person, other than a Financial Institution, holding a financial account for the benefit or account of another person as agent, custodian, nominee, signatory, investment advisor, intermediary, or legal guardian, is not treated as the Account Holder. In these circumstances that other person is the Account Holder. For example in the case of a parent/child relationship where the parent is acting as a legal guardian, the child is regarded as the Account Holder.

With respect to a jointly held account, each joint holder is treated as an Account Holder.

“Active NFE”

An NFE is an Active NFE if it meets any of the criteria listed below. In summary, those criteria refer to:

- Active NFEs by reason of income and assets;
- Publicly traded NFEs;
- Governmental Entities, International Organisations, Central Banks, or their wholly owned Entities;
- Holding NFEs that are members of a nonfinancial group;
- Start-up NFEs;
- NFEs that are liquidating or emerging from bankruptcy;
- Treasury centres that are members of a nonfinancial group; or
- Non-profit NFEs.

An entity will be classified as Active NFE if it meets any of the following criteria:

- (a) less than 50% of the NFE’s gross income for the preceding calendar year or other appropriate reporting period is passive income and less than 50% of the assets held by the NFE during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income;
- (b) the stock of the NFE is regularly traded on an established securities market or the NFE is a Related Entity of an Entity the stock of which is regularly traded on an established securities market;
- (c) the NFE is a governmental Entity, an international organisation, a central bank, or an Entity wholly owned by one or more of the foregoing;
- (d) substantially all of the activities of the NFE consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an Entity does not qualify for this status if the Entity functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund, or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes;
- (e) the NFE is not yet operating a business and has no prior operating history, (a “start-up NFE”) but is investing capital into assets with the intent to operate a business other than that of a Financial Institution, provided that the NFE does not qualify for this exception after the date that is 24 months after the date of the initial organisation of the NFE;
- (f) the NFE was not a Financial Institution in the past five years, and is in the process of liquidating its assets or is reorganising with the intent to continue or recommence operations in a business other than that of a Financial Institution;
- (g) the NFE primarily engages in financing and hedging transactions with, or for, Related Entities that are not Financial Institutions, and does not provide financing or hedging services to any Entity that is not a Related Entity, provided that the group of any such Related Entities is primarily engaged in a business other than that of a Financial Institution; or
- (h) the NFE meets all of the following requirements (a “non-profit NFE”) :
 - (i) it is established and operated in its jurisdiction of residence exclusively for religious, charitable, scientific, artistic, cultural, athletic, or educational purposes; or it is established and operated in its jurisdiction of residence and it is a professional organisation, business league, chamber of commerce, labour organisation, agricultural or horticultural organisation, civic league or an organisation operated exclusively for the promotion of social welfare;
 - (ii) it is exempt from income tax in its jurisdiction of residence;
 - (iii) it has no shareholders or members who have a proprietary or beneficial interest in its income or assets;
 - (iv) the applicable laws of the NFE’s jurisdiction of residence or the NFE’s formation documents do not permit any income or assets of the NFE to be distributed to, or applied for the benefit of, a private person or non-charitable Entity other than pursuant to the conduct of the NFE’s charitable activities, or as payment of reasonable compensation for services rendered, or as payment representing the fair market value of property which the NFE has purchased; and
 - (v) the applicable laws of the NFE’s jurisdiction of residence or the NFE’s formation documents require that, upon the NFE’s liquidation or dissolution, all of its assets be distributed to a governmental entity or other non-profit organisation, or escheat to the government of the NFE’s jurisdiction of residence or any political subdivision.

“Control”

“Control” over an Entity is generally exercised by the natural person(s) who ultimately has a controlling ownership interest (typically on the basis of a certain percentage (e.g. more than 25%)) in the Entity. Where no natural person(s) exercises control through ownership interests, the Controlling Person(s) of the Entity will be the natural person(s) who exercises control of the Entity through other means. Where no natural person(s) is/are identified as exercising control of the Entity through ownership interests, the Controlling Person of the Entity is deemed to be the natural person who holds the position of senior managing official or exercises ultimate control over the management of the Entity.

Appendix

"Controlling Person(s)"

"Controlling Persons" are the natural person(s) who exercise control over an Entity. In the case of a trust, the Controlling Person(s) include the settlor(s), the trustee(s), the protector(s) / enforcer(s) (if any), the beneficiary(ies) or class(es) of beneficiaries, or any other natural person(s) exercising ultimate effective control over the trust (including through a chain of control or ownership). The settlor(s), the trustee(s), the protector(s) / enforcer(s) (if any), and the beneficiary(ies) or class(es) of beneficiaries, must always be treated as Controlling Persons of a trust, regardless of whether or not any of them exercises control over the activities of the trust.

Where the settlor, trustee, protector / enforcer or beneficiary of a trust are themselves Entities then the Controlling Persons of the settlor, trustee, protector / enforcer or beneficiary must be treated as Controlling Persons of the trust.

In the case of a legal arrangement other than a trust, "Controlling Person(s)" means persons in equivalent or similar positions to those of a trust.

Examples of that type of number include:

- (a) (for individuals) a social security/insurance number, citizen/personal identification/service code/number, and resident registration number.
- (b) (for Entities) a Business/company registration code/number.
