3.04 At the request of the Customer, the Bank may at its discretion allow a pre-mature withdrawal of a deposit before the due date.  - (e) specify or vary any time and date on or before which application amounts shall be paid to the Bank;

- (f) specify the form and denomination of the CD; and
 - (g) redeem all or any tranches of a whole or in part on any interest payment date in accordance with the applicable terms and conditions governing such CD issue.
- 7.03 The Customer authorises the Bank to debit from any of his accounts with the Bank the full application amount in respect of any CD issue together with all fees, charges and expenses at any time after the Bank receives the Customer's application or at such other time agreed by the Customer and the Bank.
- 7.04 The Customer authorises the Bank to open a Sub-account for CD for the purpose of holding any CD allotted by the Bank to the Customer from time to time.
- 7.05 The terms of each CD agreed by the Customer and the Bank shall together with the offering document of the relevant CD programme, this Clause 7 and the other applicable provisions of these Terms and Conditions form one single agreement between the Customer and the Bank which governs such CD. In case of any inconsistency, the terms shall prevail, insofar as such CD is concerned, in the following order: (i) the terms agreed by the Customer and the Bank, (ii) the offering document of the relevant CD programme, (iii) this Clause 7 and (iv) the other applicable provisions of these Terms and Conditions.
- 7.06 Interest on a CD shall be calculated up to but excluding the maturity date on the basis of the actual number of days elapsed during the deposit period at such rate and payable at such intervals as the Customer and the Bank may agree.
- 7.07 Unless otherwise specified by the Bank, the obligations represented by a CD constitute direct, unsecured and unsubordinated obligations of the Bank ranking *pari passu* with all other unsecured and unsubordinated obligations of the Bank except any obligations which may be preferred by mandatory provisions of any applicable law.
- 7.08 The Customer does not have the right to terminate or redeem any CD before its maturity date.
- 7.09 The offering document of each CD programme shall be available for inspection during the subscription period upon request.
- 7.10 There may not be a secondary market for trading any CD issued by the Bank. Where there is a secondary market, the market price of a CD may fluctuate due to changes in market conditions (including movements in prevailing interest rates, changes in the perceived credit standing of the Bank or in the market for any similar deposits or instruments), and may therefore be higher or lower than the original issue price of the CD. Selling the CD in the secondary market instead of holding it to maturity may result in a loss. The Bank has no obligation to quote a price for any CD to enable the Customer to sell his CD to the Bank before its maturity. Even where a price is quoted by the Bank, it may due to market conditions be substantially lower than the price initially paid by the Customer for the CD.

2.03 Whether there is any Available Balance in the relevant account and the amount of each Available Balance to be debited shall be determined by the Bank at the time the Bank applies the Amount Criteria elected by the Customer to the account against the day-end balance in the account on the previous Business Day as reflected in the Bank's records. Subject to Clause 2.04(a) of this Part, the availability and amount of each Available Balance shall not be affected by any variation in the credit balance in the account before or after such determination. The Bank shall not be under any obligation to ensure that the credit balance in the account after debiting the Available Balance exceeds any amount.

2.04 The Bank reserves the right not to act on any debit Instruction if:-

 - (b) to make any debit or purchase,
- is not a Business Day, the Bank shall perform the relevant action on the next Business Day except that the Bank shall perform the relevant action on the previous Business Day if the next Business Day falls into the next month.

 - (c) OD Protection.
- 6.02 Any overdraft by the Customer exceeding the aggregate amount granted available by the Bank to the Customer pursuant to any Overdraft Facilities shall be deemed to be unauthorised overdraft. The Customer shall pay interest on any unauthorised overdraft on demand from the date on which it was incurred up to the date of actual repayment (before and after judgment) at such rate over the Bank's best lending rate as the Bank may from time to time prescribe at its sole discretion. 10. Risk Disclosure Statements

RISK OF SECURITIES TRADING

The prices of securities fluctuate, sometimes dramatically. The price of a security may move up or down, and may become valueless. It is as likely that losses will be incurred rather than profit made as a result of buying and selling securities.

RISK OF TRADING GROWTH ENTERPRISE MARKET STOCKS

Growth Enterprise Market (GEM) stocks involve a high investment risk. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. GEM stocks may be very volatile and illiquid.

The Customer should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Current information on GEM stocks may only be found on the internet website operated by The Stock Exchange of Hong Kong Limited. GEM Companies are usually not required to issue paid announcements in gazetted newspapers.

The Customer should seek independent professional advice if he is uncertain of or has not understood any aspect of this risk disclosure statement or the nature and risks involved in trading of GEM stocks.

RISK OF TRADING NASDAQ-AMEX SECURITIES AT THE STOCK EXCHANGE OF HONG KONG LIMITED

The securities under the Nasdaq-Amex Pilot Program (PP) are aimed at sophisticated investors. The Customer should consult the licensed or registered person and become familiarised with the PP before trading in the PP securities. The Customer should be aware that the PP securities are not regulated as a primary or secondary listing on the Main Board or the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited.

RISK OF INVESTMENT IN COLLECTIVE INVESTMENT SCHEMES

Investment in collective investment schemes involves risk and the Customer should read the relevant constitutive documents, information memoranda, prospectuses and other offering documentation for further details.

RISK OF FOREIGN SECURITIES TRADING

Foreign securities carry additional risks not generally associated with securities in the domestic market. The value or income of foreign securities may be more volatile and could be adversely affected by changes in currency rates of exchange, foreign taxation practices, foreign laws, government practices, regulations and

political events. The Customer may find it more difficult to liquidate investments in foreign securities where they have limited liquidity in the relevant market. Foreign laws, government practices and regulations may also affect the transferability of foreign securities. Timely and reliable information about the value or the extent of the risks of foreign securities may not be readily available at all times.

RISK OF PROVIDING AN AUTHORITY TO HOLD MAIL OR TO DIRECT MAIL TO THIRD PARTIES.

If the Customer provides the licensed or registered persons with an authority to hold mail or to direct mail to third parties, it is important for the Customer to promptly collect in person all contract notes and statements of his account and review them in detail to ensure that any anomalies or mistakes can be detected in a timely fashion.

RISK OF CLIENT ASSETS RECEIVED OR HELD OUTSIDE HONG KONG SPECIAL ADMINISTRATIVE REGION

Client assets received or held by the licensed or registered person outside Hong Kong Special Administrative Region are subject to the applicable laws and regulations of the relevant overseas jurisdiction which may be different from the Securities and Futures Ordinance (Cap. 571, Laws of Hong Kong Special Administrative Region) and the rules made under it. Consequently, such client assets may not enjoy the same protection as that conferred on client assets received or held in Hong Kong Special Administrative Region.

- 1.04 (a) Upon receipt of an Instruction to purchase or subscribe for securities, the Bank will inform the Customer as soon as reasonably practicable whether the relevant securities are Ineligible Securities, in which case the Bank may refuse to finance such purchase or subscription. In all other cases, the Bank will inform the Customer the Margin Ratio of each of the relevant securities. Subject to Clause 4 of this Part, an Instruction to purchase or subscribe for securities may only be acted on by the Bank if at the time of execution of the Instruction, if:-
- (i) the Loan does not exceed the Maximum Facility Amount; and
 - (ii) the aggregate of : (x) the cleared funds available in the Share Margin Settlement Account and (y) the unutilised Margin Lending Facility exceeds the amount calculated in accordance with the following formula:-
$$\text{Purchase Price} \times (1 - \text{Margin Ratio}) + \text{Expenses}$$
- (b) For the purposes of this Part:-
- "Expenses" means all charges and expenses to be incurred in connection with the purchase or subscription of the relevant securities in accordance with an Instruction including, without limitation, stamp duties, brokerages, commissions and exchange levies; and

- 1.05 The Customer irrevocably authorises and instructs the Bank to debit the Share Margin Settlement Account with:-
- (a) the Purchase Price, the Expenses and all advances under the Margin Lending Facility (including all such amounts required by the Bank for purchasing or subscribing for securities on behalf of the Customer) together with all interest thereon.
 - (b) all transaction commissions and custodian fees and all other moneys and sums payable to the Bank or the Bank's nominee from time to time in connection with the Share Margin Services; and
 - (c) all out-of-pocket expenses of reasonable amount and reasonably incurred by the Bank on behalf of the Customer whether in connection with any Transaction, the Share Margin Account, the Charged Securities or otherwise pursuant to the provisions of this Part.

- 1.06 (a) The Bank may, but is not obliged to, make an advance to the Customer under the Margin Lending Facility to enable the Customer to take up a rights issue by subscribing for the relevant securities.
- (b) All securities allotted pursuant to a rights issue taken up by or on behalf of the Customer (but excluding those which the Customer has renounced in favour of the Bank) shall be deposited into the Share Margin Account.
- 1.07 The Customer authorises and instructs the Bank to:-

- 1.08 The proceeds of sale or disposal of any securities pursuant to an Instruction shall, after deducting all stamp duties, brokerages, commissions, exchange levies, and other fees and reasonable expenses in connection with such sale or disposal, be credited into the Share Margin Settlement Account and be applied towards payment and discharge of the Loan in whole or in part.

2. **Limit of the Margin Lending Facility**

- 2.01 The Bank may, at its discretion, grant to the Customer on the Share Margin Settlement Account the Margin Lending Facility up to the Maximum Facility Amount.
- 2.02 The Bank reserves the right, at any time by notice to the Customer, to modify the facility limit, to cancel or terminate the Margin Lending Facility and to demand immediate payment of all moneys and sums, whether principal, interest or otherwise, then due or owing from the Customer in respect of the Margin Lending Facility or otherwise under the provisions of this Part. Further, the Bank may at any time refuse to make available to the Customer any advance under the Margin Lending Facility notwithstanding that the facility limit applicable for the time being has not been exceeded. Unless otherwise agreed with the Customer, the Bank will normally refuse to finance the purchase of any Ineligible Securities.
- 2.03 No advance under the Margin Lending Facility will be made if it will cause the Loan to exceed the Maximum Facility Amount. Whenever the Loan exceeds the Maximum Facility Amount, the Customer shall pay to the Bank at the Bank's election either a fee in respect of the excess Margin Lending Facility amount at such rate prescribed by the Bank from time to time, or interest on the excess portion of the Margin Lending Facility at such rate as the Bank may stipulate from time to time. At any time when the Loan exceeds the Maximum Facility Amount, any subsequent deposit(s) or transfer(s) of cash or funds into the Share Margin Settlement Account, whether for purchase or subscription of securities or other purposes, shall first be applied in reduction of the Loan until the Loan no longer exceeds the Maximum Facility Amount.
- 2.04 Any one or more advances under the Margin Lending Facility shall, on repayment, be available to be re-borrowed (in whole or in part) by the Customer provided that:-
- (a) the re-borrowing shall not cause the Loan to exceed the Maximum Facility Amount; and
- (b) the Margin Lending Facility has not been cancelled or terminated by the Bank.
- 2.05 Where any subscription of new securities by the Customer is financed by the Bank and the Customer or the Bank receives refund of the subscription amount in whole or in part, the Customer or the Bank (as appropriate) shall deposit such refund into the Share Margin Settlement Account as soon as reasonably practicable upon receipt in reduction of the Loan. Where any such refund is received by the Bank's nominee, the Bank is entitled to direct its nominee to deposit such refund into the Share Margin Settlement Account as soon as reasonably practicable upon receipt in reduction of the Loan.

3. **Security to the Bank**

- 3.01 (a) In consideration of the Bank granting or continuing to make available the Margin Lending Facility to the Customer, the Customer, as beneficial owner charges, pledges and assigns to the Bank all and any securities in the Share Margin Account from time to time (including, without limitation, any further securities deposited with the Bank pursuant to the Margin Call or otherwise), whether registered in the name of the Customer or any nominee of the Bank or

any central clearing system or depository, together with all rights and benefits attaching or accruing to such securities, as a continuing security for the punctual payment to the Bank on the respective due dates of the Indebtedness, all amounts outstanding under the Margin Lending Facility and all other moneys and sums due or owing from the Customer to the Bank from time to time pursuant to the provisions of this Part, and for the performance of all the obligations of the Customer from time to time under the provisions of this Part.

- (b) if at any time the Margin Ratio of any specific securities comprised in the Charged Securities shall be re-determined by the Bank to be zero, such securities shall become Ineligible Securities but shall remain as Charged Securities. Such Ineligible Securities shall be excluded from the calculation of the Security Value and the Maximum Facility Amount as a result of which the Bank may exercise its rights under Clause 4 of this Part.
- 3.02 The Customer irrevocably authorises the Bank to hold the Charged Securities in the name of the Bank's nominee and to do and execute any and all acts or things and documents necessary to transfer, complete and/or vest the title to any of the Charged Securities to the Bank's nominee and to perfect the security over the Charged Securities.
- 3.03 All dividends, interests, income, payments or other distributions received by the Bank or its nominee in respect of the Charged Securities shall be credited into the Share Margin Settlement Account. Notwithstanding any Instruction of the Customer to apply any funds in the Share Margin Settlement Account, the Bank is entitled to withhold and apply any funds standing to the credit of the Share Margin Settlement Account to the extent necessary to secure repayment of the Loan, payment of any sum due or owing to the Bank under the provisions of this Part and performance by the Customer of its obligations under the provisions of this Part, including without limitation, to satisfy any Margin Call.
- 3.04 The Bank may, at any time and without notice to the Customer, open new Sub-accounts for the Customer and deposit any securities into such new Sub-accounts as it may from time to time consider appropriate. For the avoidance of doubt, all such securities shall continue to constitute Charged Securities.
- 3.05 The security given by the Customer to the Bank over the Charged Securities shall be in addition to, shall not be affected by and may be enforced by the Bank without prejudice to any guarantee, indemnity or other collateral security or any other power, right or remedy at any time held by or available to the Bank in respect of the Indebtedness or the Margin Lending Facility or the obligations of the Customer under the provisions of this Part. Such security shall be a continuing security notwithstanding the death, bankruptcy, liquidation, winding-up, incapacity or any change in the constitution of the Customer, or any intermediate or partial payment or settlement of account or satisfaction in whole or in part of all or any amounts outstanding in respect of the Indebtedness or the Margin Lending Facility or of any obligations of the Customer under the provisions of this Part. Any restriction on the right of consolidating securities shall not apply to any security over the Charged Securities in favour of the Bank.

4. Margin Cover

- 4.01 The Customer covenants with the Bank that he shall at all times maintain (i) the Loan within the Maximum Facility Amount and (ii) the Applicable Margin Call Ratio to such level determined by the Bank to be satisfactory.
- 4.02 (a) The Bank will monitor and determine the Security Value on a real time valuation basis based upon the information supplied by the relevant stock exchange and the prevailing exchange rates for the relevant currencies and update the Customer's position in respect of the Share Margin Account and the Share Margin Settlement Account at such times of a day as the Bank considers appropriate. If at any time the Bank determines that the Loan exceeds the Maximum Facility Amount and/or the Applicable Margin Call Ratio reaches or exceeds the Top-Up Percentage (notwithstanding that such determination is caused by the Bank's records not reflecting the latest transactions in respect of the Share Margin Account and/or Share Margin Settlement Account due to the processing time required for updating the Bank's records and/or for clearing of funds, cheques or securities deposited into the Share Margin Account and/or Share Margin Settlement Account), the Bank may (but is not obliged to) refuse to act on any Instruction given by or on behalf of the Customer and shall have the right (but shall not be obliged) to give the Customer notice of a margin call (a 'Margin Call'). The Customer should satisfy the Margin Call as soon as reasonably practicable so that the Loan shall fall below the Maximum Facility Amount and/or the Applicable Margin Call Ratio shall be maintained below the Top-up Percentage by depositing cash or immediately available cleared funds into the Share Margin Settlement Account and/or increasing the Security Value by depositing into the Share Margin Account and charging in the Bank's favour such additional securities acceptable

to the Bank and/or by such other means acceptable to the Bank, so as to reduce the Loan or increase the Security Value.

- (b) Where additional securities are deposited to meet Margin Calls (i) through the Central Clearing and Settlement System operated by the Hong Kong Securities Clearing Company Limited, the Security Value of such securities shall be taken into account immediately on successful electronic transfer to the Bank or its nominee on the settlement date or (ii) by physical delivery of the share certificates to the Bank or its nominee, the Security Value of such securities shall not be taken into account until re-registration of such securities in the name of the Bank or its nominee has been completed (which normally takes ten Trading Days).
 - (c) For the avoidance of doubt, (i) the Bank may make more than one Margin Call on the same day; and (ii) a Margin Call does not constitute a demand on the Customer for repayment of the Loan or the Indebtedness but the Bank's reminder to the Customer to take the necessary actions so as to avoid or minimise his position being liquidated by the Bank. If the Customer fails to meet a Margin Call, he has to bear the risk of having his position liquidated by the Bank in accordance with the provisions of this Clause 4.
 - (d) Without prejudice and in addition to any Margin Call, the Bank may from time to time notify the Customer of the Applicable Margin Call Ratio and, in particular, when the Application Margin Call Ratio exceeds certain percentages. However, the Bank shall be entitled to exercise its rights under Clause 4.04 of this Part or any other rights under this Part without giving such notification to the Customer.
- 4.03 Between the time a Margin Call is made and the time when the Bank has knowledge of such Margin Call having been satisfied, the Bank is entitled to exercise any of its rights under Clause 3 of this Part without notice to the Customer, and the Bank is not required to carry out any Instruction of the Customer in relation to any dealing in securities, the Share Margin Account or the Share Margin Settlement Account.
- 4.04 (a) If at any time:-
- (i) the Bank determines that the Applicable Margin Call Ratio reaches or exceeds the Force-sale Percentage (notwithstanding that such determination is caused by the Bank's records not reflecting the latest transactions in respect of the Share Margin Account and/or Share Margin Settlement Account due to the processing time required for updating the Bank's records and/or for clearing of funds, cheques or securities deposited into the Share Margin Account and/or Share Margin Settlement Account and/or the Bank not being aware that the Margin Call has been satisfied); or
 - (ii) the Loan has continuously exceeded the Maximum Facility Amount for a period of six months or such other period as may be prescribed by the Bank from time to time; or
 - (iii) the Bank in good faith considers that the market conditions are too unstable or unfavourable or abnormal or are likely to expose investors to unacceptable risk or heavy losses,

the Bank may (but is not obliged to), without demand, notice, legal process or other action at any time thereafter terminate the Margin Lending Facility and/or cancel or modify any outstanding Instructions and/or sell, realise, redeem, liquidate and/or otherwise dispose of, as appropriate, all or any of the Charged Securities in the relevant market or by private contract, and on such terms as the Bank thinks fit, free from all trusts, claims, rights of redemption and equities of the Customer. the Bank's rights under this Clause shall not be affected by any fluctuations in the Security Value prior to the time of actual sale, realisation, redemption, liquidation or disposal of the Charged Securities but any proposed exercise of the Bank's rights under this Clause may be altered or cancelled by the Bank at any time due to fluctuations in the Security Value.

- (b) Any proceeds resulting from such sale, realisation, redemption, liquidation or disposal shall, at the discretion of the Bank, be deposited in the Share Margin Settlement Account in reduction of the Loan until the Loan has been repaid in full or falls below the Maximum Facility Amount and so that the Applicable Margin Call Ratio falls below the Top-up Percentage. The Bank has the right to sell, realise, redeem, liquidate or dispose of all or any of the Charged Securities and such quantity of the Charged Securities which is more than necessary to reduce the Loan below the Maximum Facility Amount or to maintain the Applicable Margin Call Ratio below the Top-up Percentage. The Customer does not have any right or claim against the Bank in respect of any loss arising out of any actual or proposed sale, realisation, redemption,

liquidation or disposal of Charged Securities or its timing, unless caused by the negligence or wilful default of the Bank, its officers or employees and only to the extent of direct and reasonably foreseeable loss and damage (if any) arising directly and solely therefrom.

- 4.05 The Customer acknowledges and agrees that it is his duty from time to time to monitor and maintain (i) the Loan within the Maximum Facility Amount, (ii) the Applicable Margin Call Ratio at a level satisfactory to the Bank and (iii) the margin requirement under Clause 4.02 of this Part, for which purpose it is his duty to contact the Bank from time to time to ensure that he is being informed of the Margin Ratio in respect of the Charged Securities, the Maximum Facility Amount, the Applicable Margin Call Ratio, Top-up Percentage, the margin requirement and Force-sale Percentage as applicable from time to time. The Customer acknowledges and agrees that the Applicable Margin Call Ratio may reach or exceed the Top-up Percentage or the Force-sale Percentage at any time as a result of, among other things, fluctuation in the exchange rates of currencies, or the Bank making any change to the Maximum Facility Amount or any of the ratio or percentage as above-mentioned with immediate effect irrespective of whether the Customer is aware of any such fluctuation or change. The Bank shall not be liable to the Customer for any loss arising out of any sale, realisation, redemption, liquidation or disposal of Charged Securities resulting from the margin requirement not being satisfied or the Bank not being promptly informed of satisfaction of any margin requirement, unless caused by the negligence or willful default of the Bank, its officers or employees and only to the extent of direct and reasonably foreseeable loss and damage (if any) arising directly and solely therefrom.
- 4.06 For the purposes of making a Margin Call, the Bank will normally give notice of a Margin Call to the Customer by mobile short message and the Customer shall be deemed to be notified of the Margin Call on transmission of the mobile short message. The Bank may give notice of a Margin Call to the Customer in any other means as it considers appropriate in the circumstances.

5. Representations, Warranties and Undertakings

- 5.01 The Customer represents, warrants and undertakes to the Bank:-
- (a) that the Customer is the sole beneficial owner (or where the Customer comprises more than one person, such persons are the sole beneficial owners) of all securities in the Share Margin Account and has good title to all securities deposited with the Bank or which he has instructed the Bank to deal on his behalf free from encumbrances or any third party interest;
 - (b) that the Customer has and will maintain beneficial ownership of the Charged Securities free from encumbrances or any third party interest (except in favour of the Bank);
 - (c) that the security to the Bank under Clause 3 of this Part constitutes and will continue to constitute the valid and legally binding obligations of the Customer enforceable in accordance with its terms;
 - (d) at all times during which the Loan is outstanding, not to engage the services of any other broker to sell or otherwise dispose of the securities in the Share Margin Account and all securities deposited with the Bank without the prior written consent of the Bank. Such consent will only be granted if the Applicable Margin Call Ratio shall remain at a satisfactory level after the sale or disposal of the relevant securities by the other broker.
 - (e) not to create or permit to arise any encumbrance or third party rights over any assets in the Share Margin Account or funds in the Share Margin Settlement Account or purport so to do, except in the Bank's favour;
 - (f) at any time and from time to time, to execute and deliver such further charges, authorities and other documents as the Bank may from time to time reasonably require for perfecting its title to or for vesting or enabling the Bank to vest the full benefit of the security under Clause 3 of this Part in its favour, for which purposes the Customer hereby irrevocably appoints the Bank as its lawful attorney, and covenants to ratify and confirm all documents, acts and things and all transactions entered into by the Bank in the exercise or purported exercise of its powers under the provisions of this Part, and the Customer irrevocably acknowledges and agrees that this power of attorney is, among others, given to secure the performance of the obligations of the Customer under this Part; and
 - (g) to obtain and maintain in full force and effect all governmental and other approvals, authorities, licences and consents required in connection with the security to the Bank under Clause 3 of this Part and to do or cause to be done all other acts and things necessary or desirable for the performance of all the obligations of the Customer under this Part, or for

ratifying or confirming anything done by the Bank in the performance of its duties and/or exercise of its rights or powers under this Part.

6. Suspension and Termination of Share Margin Services

6.01 Without prejudice to Clause 16 of Part I:-

6.02 Upon termination of the Share Margin Services howsoever arising, the Loan and all amounts due or owing by the Customer to the Bank under this Part shall become immediately due and payable. The Bank shall cease to have any obligations to deal in securities on behalf of the Customer in accordance with the provisions of this Part, notwithstanding any Instructions from the Customer to the contrary and the Bank shall immediately cease to have any obligations to grant the Margin Lending Facility.

6.03 As soon as and in so far as is practicable upon (i) termination of the Share Margin Services or (ii) the Customer's default in paying to the Bank any sum in respect of the Indebtedness, the Bank shall and is authorised by the Customer to sell, realise, redeem, liquidate or otherwise dispose of all or part of the Charged Securities for such consideration and in such manner as the Bank shall consider necessary to satisfy the Loan and any Indebtedness of the Customer to the Bank, at the Customer's sole risk and cost but without the Bank incurring any liability for any loss howsoever arising unless due to the negligence or wilful default of the Bank, its officers or employees and only to the extent of direct and reasonably foreseeable loss and damage (if any) arising directly and solely therefrom.

6.04 Any cash proceeds of such sale, realisation, redemption, liquidation or disposal upon receipt by the Bank shall be credited to the Share Margin Settlement Account, and thereafter the net credit balance on the Share Margin Settlement Account (if any) shall be returned to the Customer, after first deducting or providing for all costs, charges, fees and expenses of reasonable amount (including legal expenses) reasonably incurred by the Bank in such sale, realisation, redemption, liquidation or disposal, the Loan and all Indebtedness. Where appropriate, all Charged Securities not realised or disposed of together with any documents of title in the possession of the Bank or the Bank's nominee shall be delivered to the Customer at the Customer's sole risk and expense.

- 6.06 Notwithstanding the suspension or termination of all or any of the Share Margin Services, the Customer shall continue to be bound by the provisions of this Part to the extent that they relate to any obligations or liabilities of the Customer which remain to be performed or discharged.

7. Limitation on Liability

Without prejudice to any other provisions in these Terms and Conditions, unless due to the negligence or wilful default of the Bank, its officers or employees and only to the extent of direct and reasonably foreseeable loss and damage (if any) arising directly and solely therefrom, the Bank does not assume any liability or responsibility to the Customer or any third party for the consequences arising out of or in connection with any change in the Margin Ratio of any specific securities as determined by the Bank from time to time leading to any change in the Maximum Facility Amount or the Security Value or the Applicable Margin Call Ratio which may trigger the Bank's exercise of any of its rights under Clause 3 or 4 of this Part.

8. Miscellaneous

- 8.01 Any revision or addition to the provisions of this Part made by the Bank in accordance with Clause 17 of Part I shall be binding on the Customer if the Customer continues to maintain the Share Margin Account after the effective date of such revision or addition.

- (a) no Margin Call has been made which remains to be satisfied; and
 - (b) the Applicable Margin Call Ratio can still be maintained at a level satisfactory to the Bank after any such withdrawal.

9. Risk Disclosure Statements

RISK OF MARGIN TRADING

The risk of loss in financing a transaction by deposit of collateral is significant. The Customer may sustain losses in excess of his cash and any other assets deposited as collateral with the licensed or registered person. Market conditions may make it impossible to execute contingent orders, such as 'stop-loss' or 'stop-limit' orders. The Customer may be called upon at short notice to make additional margin deposits or interest payments. If the required margin deposits or interest payments are not made within the prescribed time, the Customer's collateral may be liquidated without the Customer's consent. Moreover, the Customer will remain liable for any resulting deficit in the Customer's account and the interest charged on the Customer's account. The Customer should therefore carefully consider whether such a financing arrangement is suitable in light of his own financial position and investment objectives.

RISK OF TRADING FUTURES AND OPTIONS

The risk of loss in trading futures contracts or options is substantial. In some circumstances, the Customer may sustain losses in excess of his initial margin funds. Placing contingent orders, such as 'stop-loss' or 'stop-limit' orders, will not necessarily avoid loss. Market conditions may make it impossible to execute such orders. The Customer may be called upon at short notice to deposit additional margin funds. If the required funds are not provided within the prescribed time, the Customer's position may be liquidated. The Customer will remain liable for any resulting deficit in his account. The Customer should therefore study and understand futures contracts and options before the Customer trades and carefully consider whether such trading is suitable in the light of his own financial position and investment objectives. If the Customer trades options the Customer should inform himself of exercise and expiration procedures and his rights and obligations upon exercise or expiry.

ADDITIONAL RISK DISCLOSURE FOR FUTURES AND OPTIONS TRADING

This brief statement does not disclose all of the risks and other significant aspects of trading in futures and options. In light of the risks, the Customer should undertake such transactions only if the Customer understands the nature of the contracts (and contractual relationships) into which the Customer is entering and the extent of his exposure to risk. Trading in futures and options is not suitable for many members of the public. The Customer should carefully consider whether trading is appropriate for him in light of his experience, objectives, financial resources and other relevant circumstances.

The Bank will determine the Buying Price at its sole and absolute discretion in good faith and commercially reasonable manner according to the following formula:

Buying Price of each Unit = the Bank's purchase price for 1 troy ounce of Loco London Gold in United States dollars as quoted by market dealers to the Bank x spot telegraphic transfer foreign currency exchange rate between United States dollars and Hong Kong dollars quoted by the Bank (at or about the time when the Bank quotes the Buying Price to the Customer) x 99% (conversion rate of gold fineness) x 0.120337 (conversion rate between troy ounce to Mace) + profit margin of the Bank.
- 2.04 A purchase order will be accepted by the Bank only if placed by the Customer on a Business Day. A purchase will be made during the Business Day on which the purchase order is received provided that the purchase order is received by the Bank within its normal business hours as the Bank may from time to time prescribe. Any purchase order received by the Bank after such hours shall be deemed to have been received on the next Business Day.
- 2.05 Settlement of a purchase shall be completed by (a) an immediate direct debit of any one or more accounts of the Customer with the Bank in any currency or (b) full payment by the Customer in cash, by cheque or by cashier's order on the same Business Day on which the purchase order is fulfilled.
- 2.06 If there are insufficient funds in such accounts or if the amount of cash, cheque or cashier's order tendered in settlement of a purchase order is insufficient to purchase the amount of Units ordered, the Bank shall be entitled not to fulfil such order or to fulfil such order for a lesser amount equal to the funds available or the amount tendered.

2.07 Without prejudice to Clause 2.06 of this Part, if the Bank makes a purchase against any cheque prior to collection, the Bank shall be entitled to be reimbursed on demand immediately in the absence of collection and no default interest or any other fees and charges shall be payable by the Customer. If the Customer fails so to reimburse the Bank, the Bank may, at any time without notice, sell or convert into money the Units purchased at the price determined by the Bank in accordance with Clause 3.03 of this Part to satisfy the Customer's liability. For this purpose, to the extent that the amount converted shall fall short of the Customer's liability, the Customer shall be liable for the shortfall but if the amount converted shall exceed the Customer's liability, the Bank shall be entitled to such excess.

3. Sale of Units

3.01 The Bank will purchase Units from the Customer pursuant to sale orders from the Customer and shall record in the Gold Account the quantity of Units so sold.

3.02 Each sale order shall be irrevocable and in such form as the Bank may prescribe and shall be:-

- (a) for not less than one Unit of the Scheme;
- (b) if more than one Unit of the Scheme, for a quantity which is a whole multiple of one Unit.

3.03 The selling price ("Selling Price") per Unit as quoted by the Bank will be on a per Mace basis. The price of Units at which each sale will be made by the Customer shall be the Selling Price as quoted by the Bank to the Customer at the time of receipt by the Bank of the sale order and recorded on the relevant advise, receipt or statement issued by the Bank. The Bank will determine the Selling Price at its sole and absolute discretion in good faith and commercially reasonable manner according to the following formula:

Selling Price of each Unit = the Bank's selling price for 1 troy ounce of Loco London Gold in United States dollars as quoted by market dealers to the Bank x spot telegraphic transfer foreign currency exchange rate between United States dollars and Hong Kong dollars quoted by the Bank (at or about the time when the Bank quotes the Selling Price to the Customer) x 99% (conversion rate of gold fineness) x 0.120337 (conversion rate between troy ounce to Mace) - profit margin of the Bank.

3.04 A sale order will be accepted by the Bank only if placed by the Customer on a Business Day. A sale will be made during the Business Day on which the sale order is received provided that the sale order is received by the Bank within its normal business hours as the Bank may from time to time prescribe. Any sale order received by the Bank after such hours shall be deemed to have been received on the next Business Day.

3.05 The proceeds of a sale shall be paid to the Customer on the Business Day on which the sale order is fulfilled and shall be paid (a) by way of direct credit to any one or more accounts of the Customer with the Bank in any currency or (b) in cash or (c) by any other means as the Bank agrees.

3.06 The maximum amount of Units that can be sold by the Customer on the Gold Account will be limited to the actual balance of the Units for the time being recorded in the Gold Account as owing by the Bank to the Customer so that no Units shall be oversold by the Customer and the Gold Account shall not be allowed to show any oversold balance.

- (g) the operation of the Gold Account by the Customer shall be restricted to purchases from and sales to the Bank of Units on the Gold Account and, if the Customer wishes to close the Gold Account, the Customer shall only be entitled so to do by selling to the Bank all the Gold recorded in the Gold Account as owing by the Bank to the Customer at the price determined by the Bank in accordance with Clause 3.03 of this Part and by receiving the proceeds in accordance with Clause 3.05 of this Part;

5. Termination and Closure of Gold Account

In the event of the termination and closure of the Scheme and/or the Gold Account, the Bank shall sell all the Units then recorded in the Gold Account as owing by the Bank to the Customer at the price determined by the Bank in accordance with Clause 3.03 of this Part and the proceeds shall be paid to the Customer in accordance with Clause 3.05 of this Part.

Any such modification shall become effective on the fifth Business Day or such later date as the Bank may specify after being displayed, advertised or brought to the attention of the Customer by any other means as the Bank thinks fit and shall be binding on the Customer if the Customer does not close the Gold Account prior to the expiration of such period.
- 6.02 Any modification other than those referred to in Clause 6.01 of this Part which requires the prior approval of any regulatory authority can only be made with the requisite approval. The Bank shall give the Customer three months' prior notice in writing of any such modification which shall become effective on and from the expiry of such three-month period and shall be binding on the Customer if the Customer does not close the Gold Account prior to the expiration of such period.

7. No Fees or Charges

The Bank will not charge the Customer any fees or charges for the provision of Services in connection with the Gold Account.

7. Risk Disclosure Statements

RISK OF SECURITIES TRADING

The prices of securities fluctuate, sometimes dramatically. The price of a security may move up or down, and may become valueless. It is as likely that losses will be incurred rather than profit made as a result of buying and selling securities.

RISK OF TRADING GROWTH ENTERPRISE MARKET STOCKS

Growth Enterprise Market (GEM) stocks involve a high investment risk. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. GEM stocks may be very volatile and illiquid.

The Customer should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Current information on GEM stocks may only be found on the internet website operated by The Stock Exchange of Hong Kong Limited. GEM Companies are usually not required to issue paid announcements in gazetted newspapers.

The Customer should seek independent professional advice if he is uncertain of or has not understood any aspect of this risk disclosure statement or the nature and risks involved in trading of GEM stocks.

RISK OF TRADING NASDAQ-AMEX SECURITIES AT THE STOCK EXCHANGE OF HONG KONG LIMITED

The securities under the Nasdaq-Amex Pilot Program (PP) are aimed at sophisticated investors. The Customer should consult the licensed or registered person and become familiarised with the PP before trading in the PP securities. The Customer should be aware that the PP securities are not regulated as a primary or secondary listing on the Main Board or the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited.

RISK OF INVESTMENT IN COLLECTIVE INVESTMENT SCHEMES

Investment in collective investment schemes involves risk and the Customer should read the relevant constitutive documents, information memoranda, prospectuses and other offering documentation for further details.

RISK OF FOREIGN SECURITIES TRADING

Foreign securities carry additional risks not generally associated with securities in the domestic market. The value or income of foreign securities may be more volatile and could be adversely affected by changes in currency rates of exchange, foreign taxation practices, foreign laws, government practices, regulations and political events. The Customer may find it more difficult to liquidate investments in foreign securities where they have limited liquidity in the relevant market. Foreign laws, government practices and regulations may also affect the transferability of foreign securities. Timely and reliable information about the value or the extent of the risks of foreign securities may not be readily available at all times.

RISK OF PROVIDING AN AUTHORITY TO HOLD MAIL OR TO DIRECT MAIL TO THIRD PARTIES

If the Customer provides the licensed or registered persons with an authority to hold mail or to direct mail to third parties, it is important for the Customer to promptly collect in person all contract notes and statements of his account and review them in detail to ensure that any anomalies or mistakes can be detected in a timely fashion.

RISK OF CLIENT ASSETS RECEIVED OR HELD OUTSIDE HONG KONG SPECIAL ADMINISTRATIVE REGION

Client assets received or held by the licensed or registered person outside Hong Kong Special Administrative Region are subject to the applicable laws and regulations of the relevant overseas jurisdiction which may be different from the Securities and Futures Ordinance (Cap. 571, Laws of Hong Kong Special Administrative Region) and the rules made under it. Consequently, such client assets may not enjoy the same protection as that conferred on client assets received or held in Hong Kong Special Administrative Region.

PART XI
TREAT CUSTOMERS FAIRLY CHARTER

The sales staff of the Bank, its subsidiaries, affiliates or authorised sales agent may receive commission and/or performance incentives for selling the products or services offered / distributed by the Bank. The current sales staff and authorised sales agent remuneration policy (including basic salary and performance incentive) of the Bank would take into account various aspects of the staff/authorised sales agent's performance but not solely on the sales amount. This remuneration policy is applicable to the Bank selling any products or services whether or not under the Integrated Account.

Part XII

4. The Customer shall have no right to cancel, amend or revoke this application or any terms thereof without the written consent of the Bank.
5. The Bank is entitled to reimbursement from the Customer for the expenses incurred by the Bank, its correspondents and agents. Additional overseas charges (including charges levied by the beneficiary bank and/or correspondent banks) may be imposed by some overseas banks. These charges may be deducted from the remit amount depending on the practice of such banks and the beneficiary may as a result not be able to receive the remit amount in full, regardless of the payment instructions provided.
6. The Bank is entitled to receive and retain any benefit in whatever form from a party or parties through whom transaction(s) is/are effected in connection with this application.
7. The Customer (and, where applicable, for and on behalf of each of the directors, authorized persons, officers, representatives and members (or partners in the case of a partnership) of the Customer (collectively "such individuals")) agrees and acknowledges that the Customer's data, the personal data of such individuals and all other details and information relating to this application, this transfer and any transactions or dealings between the Customer or such individuals with the Bank may be used, held or processed by the Bank or, where the Bank considers necessary or appropriate, disclosed, transferred (whether within or outside Hong Kong) or exchanged by the Bank to or with any members of the HSBC group, any third party service providers, any correspondent or agent banks or third party financial institutions, any payees or authorities for the purpose of or in connection with this application, this transfer or the provision of remittance services to the Customer or for such purposes and to such persons in accordance with the Bank's policies on use and disclosure of personal data as set out in statements, circulars, notices or terms and conditions made available by the Bank to Customers and other individuals from time to time.
8. The Bank reserves the right to determine effecting the transfer either by Clearing House Automated Transfer System (CHATS) (if the Beneficiary Bank is a registered Direct Participant of the local clearing in HKSAR) or by telegraphic transfer.
9. For all remittances of euro to European Union (EU) and European Economic Area (EEA), the Customer must provide the beneficiary bank's SWIFT code (BIC) AND the beneficiary's account number in International Bank Account Number (IBAN) format. If this information is not given or is invalid or incorrect, the telegraphic transfer is liable to be rejected, returned and/or delayed, usually with charges imposed. The Bank accepts no responsibility for any loss or damage suffered by any person arising out of such rejection, return and/or delay.
10. If the remittance is in Renminbi or within the ambit of any of the Bank's agreement with the clearing bank or domestic agent bank in relation to any Renminbi services, the Customer represents, warrants, undertakes and/or agrees that:
 - a) the remittance fully complies with any law, regulation or order, or any rule, direction, guideline, code, notice, restriction or the likes (whether or not having the force of law) issued by any regulatory authority, government agency, clearing or settlement bank or body exchange or professional body in whatever part of the world (including, without limitation, HKSAR and the People's Republic of China)

applicable from time to time (collectively the "Applicable Regulations")(including without limitation any requirements relating to the purposes and eligibility of such remittance);

- b) notwithstanding any other clauses stated in these terms and conditions for remittance services or otherwise, (i) the Bank reserves the right to introduce additional terms and conditions applicable to remittance services in order to comply with any Applicable Regulations without prior notice (except as may be otherwise required in the Applicable Regulations) and without giving any reasons; and (ii) the Bank shall have the right to refuse or at any time decline any remittance or revert any remittance of any sum that has been effected from the account stated in this application from which the remit amount is debited without prior notice (except as may be otherwise required in the Applicable Regulations) and without giving any reasons;
 - c) it shall provide the Bank with any documents as the Bank may require; and
 - d) Renminbi is subject to exchange rate risk. Fluctuation in the exchange rate of Renminbi may result in losses in the event that Renminbi is subsequently converted into another currency (including Hong Kong Dollars). Exchange controls imposed by the relevant authorities may also adversely affect the applicable exchange rate. Renminbi is currently not freely convertible and conversion of Renminbi through banks in Hong Kong, like other Renminbi services provided by banks in Hong Kong, are subject to certain policy, regulatory requirements and/or restrictions (which are subject to changes from time to time without notice).
11. Applications received by the Bank by the relevant cutoff times as stipulated by the Bank from time to time (the "**Cut-off Times**") may not be processed on the same day. Also, processing of the applications will be subject to the availability of the relevant services including (but not limited to) the availability of the clearing system of the currency and country of the correspondent and/or destination banks. The remit amount will normally (provided that it is processed by the Bank on the same day) reach the correspondent bank on the debit date as provided in this application (the "Value Date") if this application is received by the Bank before the Cut-off Times. If this application is received by the Bank after the Cut-off Times, the Value Date of the remit amount will normally be the next business day. The Cut-off Times will vary depending on a number of factors including the currency for the remitted sum to be denominated as requested by the Customer, the geographical location of the destination of the remittance and/or the funding arrangement requirements of the settlement banks. The Bank reserves the right to vary the Cut-off Times at any time without prior notice. In case of any disputes, the decision of the Bank shall be final. The Cut-off Times of different remit currencies can be found at the Bank's website at www.hangseng.com.
12. The Bank will debit the remit amount from the account designated by the Customer and agreed by the Bank ("Debit Account") on the debit date provided in this application, provided that all relevant information for this application has been received by the Bank before the Cut-off Times of the relevant business date. If all relevant information for this application has only been received by the Bank after the Cut-off Times of the relevant business date, the Bank will debit the remit amount from the Debit Account on the next business day of the Bank. Due to any limitation that the debit account has to be debited before the value date, the Bank will not be responsible for any interest expense or loss as a result.
13. If the debit currency is different from the remit currency, the Bank shall effect a currency exchange transaction at the Bank's prevailing exchange rate at or about the time the remittance application is processed by the Bank on the debit date, unless a currency exchange rate has been pre-arranged and agreed between you and the Bank for a remittance application, in which case the currency exchange transaction will be effected at such rate.
14. Without prejudice to any provisions in these terms and conditions for remittance services, the Bank reserves the right not to process any remittance with or without notice if the relevant information has not been accurately and properly provided.
15. This application is subject to the charges and at the rates published by the Bank from time to time. For the latest service charges of the Bank, please refer to the Bank's fee and charges table, which can be found at the Bank's website at www.hangseng.com.
