Bus Stop 7: Our Achievements in 2020

Our ESG performance has earned external recognition in 2020

Thank you for all the support from ESG Champions!

So what are our ESG achievements in 2020?

We are constituent member of the world's leading sustainability indexes

Hang Seng is the only bank in HK that is a constituent of the

Dow Jones Sustainability Asia Pacific Index 2020 & FTSE4Good Developed Index (since 2001)

We are also among the top 10 index weighted constituents of the MSCI Pacific ex Japan SRI Index since 2015

We have been the member of

Hang Seng Corporate Sustainability Index since 2010

HK Business Sustainability Index since 2015

HK Council of Social Service's Caring Company Scheme since 2003

We also received various ESG awards such as

Our Corporate Sustainability Report 2019 received gold award at the 2020 International ARC Awards

CLP's Smart Energy Award – Renewable Energy Contribution Award

We have been 49th out of 3,702 global companies in Equileap's 2021 Gender Equality Global Report & Ranking

We are one of the 10 companies and the only bank achieving gender balance (40%-60%) at all four levels

- board, executive, senior management and workforce

These recognition and awards reflect our previous efforts

We will constantly strive for improvements in our ESG performance!
