Moreover, there are 88 currency pairs and various deposit terms to suit your needs!

Let me show you how to subscribe online.

Click "Set Up MaxiInterest". Select "Deposit Currency" and "Deposit Amount", and then choose the "Linked Currency". Then, choose a target exchange rate as the Initial Exchange Rate! Different pairs of Initial Exchange Rate and Annual Interest Rate will be displayed for you to choose from once you click "Get Rate", and you'll know how much the potential return is. The Initial Exchange Rate will be compared against the Final Exchange Rate at the maturity date. That will decide whether you will receive the payment in the Deposit Currency or Linked Currency. From now on, you can place any Currency-Linked "MaxiInterest" Investment Deposit under different market conditions, anytime, anywhere. Once the order is completed, you can go to the "Order and Holdings Enquiry" section anytime to view the details of each deposit, including both "Current" and "Matured" deposits. It's so convenient to place Hang Seng Currency-Linked "MaxiInterest" Investment Deposit to complete the Risk Profiling Questionnaire!
